

# TATTOO ARTIST LANDING PAGE

## Objectives

1. To develop a static landing page for a Tattoo Artist.
2. Client can see the details and specialty of the artist.
3. Client can also select a category of the tattoo.
4. Client can set their appointment session on a specific date and the Artist will contact them back using their given details if the client selected day is available.

## Scope and Limitations

This Landing page website is limited for client's viewing the details of the Artist and setting their appointment if they want to get tattooed.
